

NOTICE OF COMMUNITY WORKSHOP

Del Puerto Canyon Reservoir

The Del Puerto Water District (DPWD) and the San Joaquin River Exchange Contractors Water Authority (Exchange Contractors) will host a community workshop to discuss and answer questions on their proposed surface water storage project – the Del Puerto Canyon Reservoir. The workshop will provide an opportunity for the public to better understand the project before reviewing and commenting on the Draft Environmental Impact Report, which will be released in mid-December for a 45-day public comment period.
